

EDEN Workshop F4 - 12 June 2014, Zagreb 16:00 – 17:30

PROGRAMME

Presentation format and how the audience will participate

The workshop will start with the description of the project and a brief explanation concerning the selection criteria for e-assessment. The audience will be split into groups and each group will discuss a subset of the e-assessment practices, and try to answer, for instance, the following questions:

- Is the e-assessment method of this group effective?
- What type of LOs can be assessed using this e-assessment method?
- Can you suggest improvements to the e-assessment method?
- Do you have other examples of e-assessment methods that are not on the list?
- The workshop presenters will lead the discussion. The results of the workshop will be published and presented in the project website.
